Each Scout will have the amount listed above, for each item they sold, deposited in their scout fund. The scout fund can be used to pay for registration, scout camp, or any other scout related expense. No check will be issued without a documented scouting related receipt. If you transfer to another scout unit, a check payable to the new unit will be issued on request. Abandoned funds will be transferred to the campership fund.

Pack and Troop 113 retain the remainder of the funds to pay for the products sold, pay PayPal fees, and other sale related expenses. The excess is used to pay for unit operating expenses.
